The Air Navigation (Overseas Territories) (Amendment) Order 2011

It is notified for public information that the Air Navigation (Overseas Territories) (Amendment) Order 2011 has been extended to St Helena, Ascension and Tristan da Cunha with effect from 11 March 2011.

The Order amends the Air Navigation (Overseas Territories) Order 2007. In addition to minor corrective amendments, many changes were determined as a result of the findings and recommendations of the safety oversight audit carried out by the International Civil Aviation Organisation in February 2009, and the corrective action plan established thereafter, or as a result of amendments to the Annexes to the Chicago Convention – including amendments in terminology – and completion of the revision of the Aircraft Operational Parts of the Overseas Territories Aviation Requirements.

Copies of the Order may be seen at The Secretariat, the Castle.

The Geneva Conventions (Overseas Territories) Order 2010

It is notified for public information that the Geneva Conventions (Overseas Territories) Order 2010 has been extended to St Helena, Ascension and Tristan da Cunha with effect from 15 January 2011.

The purpose of this Order is threefold; first to extend to the Territories specified in Schedule 1 the provisions of the Geneva Conventions and United Nations Personnel (Protocols) Act 2009 so that the Protocol Additional to the Geneva Conventions of 12 August 1949, and Relating to the Adoption of an Additional Distinctive Emblem, of 8 December 2005, which prescribes a new humanitarian symbol to be known as the Red Crystal, can be extended to those Territories; second to extend to those Territories the amendments to the Geneva Conventions Act 1957 made by the International Criminal Court Act 2001; and third to consolidate the Orders extending the Geneva Conventions Act 1957, as amended, to the Territories.

Copies of the Order may be seen at The Secretariat, the Castle.
