No.130

### **Proposal to extend Airport Development Area**

Notice is hereby given that the Governor in Council proposes to make an Order under section 5 of the Airport Development Ordinance, 2006, to vary the Airport Development Area Order, 2008.

It is proposed that the temporary wharf in Rupert's will be located further to the west than was previously planned; and, as a result it might be necessary to carry out work on a small part of the coastal area (parcel JT170074). It will also be necessary to widen the Bridge between The Shears and the main Rupert's Valley Road; this will involve work on parcel No. RV0079.

Parcel JT170074 of the Jamestown Registration Section and Parcel No. RV0079 of the Rupert's Valley Registration Section are proposed as an extension to the Airport Development Area. Both parcels are crown land; the Jamestown one is not affected by any private rights. Parcel RV0079 is subject to lease, and the lessees have been consulted separately.

A plan showing the location of the parcels can be inspected in the Access Office, The Castle, during normal office hours.

Members of the public may submit comments or objections to the undersigned within 28 days from the date of this notice.

Dated this 8<sup>th</sup> day of December, 2011.
