of the Royal Warrant, 12th November, 1969.***

Short title

1. These regulations shall be cited as the Colonial Fire Brigade Long Service Medal Regulations.

Service required

2. The Colonial Fire Brigade Long Service Medal will be granted as a reward for long service and good conduct to members of all ranks of properly organised Fire Brigades of St Helena who on or after the 12th November 1969, shall have completed eighteen years' continuous service as hereinafter defined.

A Clasp will also be granted to a recipient of the Medal on his completing twenty-five years' qualifying service, and a further Clasp on completing thirty years' qualifying service. For each Clasp so awarded a small silver rose may be added to the ribbon when worn alone.

Continuity of service

3. Service in properly organised Fire Brigades in other Colonies, Associated States or Territories under Her Majesty's Protection or Administration may be allowed to reckon towards the required period of qualifying service, as may also service which would reckon as qualifying service for the Fire Brigade Long Service and Good Conduct Medal, if the total period of such service amounts to not less than eighteen years; provided, however, that where service has been rendered in St. Helena and in one or more of the territories defined above an interval not exceeding twelve months between any two periods of service shall not be regarded as breaking the continuity of such service; provided also that a break in service not exceeding six calendar months in St. Helena or in any one territory as defined above shall not be regarded as breaking the continuity of such service.

Service in Her Majesty's Armed Forces, or Merchant Navy whether as secondment, on recall or when called upon to serve may be allowed to reckon towards the required period of qualifying service, provided that such military or Merchant Navy Service interrupted and was continuous with qualifying fire service.

Exemplary character

4. For the purposes of these regulations service shall be reckoned as qualifying service only if it is certified that the character and conduct of the person recommended for the grant of the Medal or Clasp has been exemplary.

The term 'exemplary character' shall not be held to apply to any member of a Fire Brigade, who during the last 16 years of service, may have been found guilty of insubordination, insobriety, sleeping on duty, or other misconduct incurring reduction in rank or censure by the Governor or Officer Administering the Government.

Recommendations

5. Recommendations for the award of the Medal or Clasp shall be submitted by the Officer in Command of the Fire Brigade to the Governor or Officer Administering the Government. The Medal will be awarded on the authority of the Governor or Officer Administering the Government and a notification of such award shall be published in the Government Gazette.

Forfeiture and restoration

6. (a) A recipient of the Medal or Clasp who is convicted of a criminal offence or is dismissed or removed from the Fire Service for misconduct shall forfeit the Medal or Clasp unless the Governor or Officer Administering the Government shall otherwise direct.

(c) A notice of forfeiture or restoration shall in every case be published in the Government Gazette.
