ONIONS Garlic		No specified quarantine pests.
OTHER VEGETABLES (please specify)		

General Conditions of Import Licence:

- (1) This import licence is granted in reliance on the information declared on the importer's application. Provision of false information or making false declaration shall render the licence null and void.
- (2) The fresh produce listed above must be accompanied by a Phytosanitary Certificate issued by the recognised Agricultural Authority and an Export Inspection Certificate for Class 1 or 2 produce. Imports not in compliance with the above specified import health conditions will be liable to treatment, confiscation or destruction by the ANRD Agricultural Authority/Customs, if appropriate. This will be undertaken at the cost of the importer.
- (3) This licence does not allow part shipments. In case of part shipment occurring for fresh produce orders, an importer must apply for a new import licence giving new shipment details for the balance of the consignment.
- (4) The licence is issued to the importer for his/her use to import fresh plant produce covered by the licence and is not transferable.
