15. Rules

AN ORDINANCE to consolidate and amend the law relating to stamp duties.

**PART I
PRELIMINARY**

Short title

1. This Ordinance may be cited as the Stamp Duties Ordinance, 1987.

Interpretation

2. In this Ordinance, except where the context otherwise requires—
“Controller” means the Controller of Stamps appointed under section 5;
“die” includes any plate, type, tool or implement whatever used under this Ordinance for expressing or denoting any duty, or the fact that any duty or penalty has been paid, or that an instrument is duly stamped, or is not chargeable with any duty, or for denoting any fee, and also any part of any such plate, type, tool or implement;
“duty” means any stamp duty for the time being chargeable by law;
“executed”, with reference to an instrument not under seal, means signed;
“instrument” means and includes every written document;
“money” includes all sums expressed in British, St Helena or any other currency;
“stamp” means an adhesive stamp or a stamp impressed by means of a die;
“stamped” with reference to instruments and material, applies to instruments and material impressed with stamps by means of a die or to instruments and material having adhesive stamps affixed to them.

**PART II
DUTIES; PAYMENTS AND COLLECTION**

Stamp duty

3. (1) There is to be paid, upon every instrument of a type appearing in the first column of the Schedule, the duties respectively specified in respect thereof in the second column of the Schedule.

- (2) The duties payable under subsection (1) are to be known as Stamp Duties.

- (3) The Governor in Council may, by order published in the *Gazette*, amend the Schedule or repeal it and substitute a new one.

Evidence of payment

4. The fact that duty has been paid upon any instrument must be denoted by means of a stamp or stamps of a type prescribed by rules made under this Ordinance.

Controller of Stamps

5. (1) The Governor must appoint some fit and proper person to be the Controller of Stamps, and the Controller must make such arrangements as appear to him or her to be necessary or convenient, subject to this Ordinance and any rules made under it, for the collection of the duties imposed by this Ordinance.

(2) Without limiting subsection (1), the Controller must secure the provisions of any stamps, dies or other implements that are necessary for carrying into effect the provisions of this Ordinance.

Duties may be made up by several stamps

6. The duties imposed by this Ordinance may be made up by several stamps; and stamps of greater value than is required may be used upon any instrument.

Instruments relating to Crown property

7. All instruments relating to property belonging to the Crown are, unless exempted, charged with the same duty as an instrument of the same kind relating to property belonging to a subject of the Crown.

Application of duties

8. Every person who, pursuant to arrangements made by the Controller, receives any duties under this Ordinance must cause all sums so received to be remitted to the Controller, and the Controller must ensure that all duties received by the Controller under this Ordinance are paid into and form part of the Consolidated Fund.

Public Officer not to register unstamped instruments

9. A public officer must not register, file, or issue any instrument which is required to be stamped, until it has been duly stamped in the manner provided in this Ordinance.

Unstamped instruments

10. (1) No instrument made liable by any Ordinance to any duty may be pleaded or given in evidence in any court unless it is duly stamped.

(2) Notwithstanding subsection (1), a court may, if it thinks fit, allow an adjournment of any proceedings to enable a person producing an unstamped instrument to have it duly stamped.

(3) No instrument shall in any criminal proceedings be inadmissible in evidence for want of a stamp.

By whom duty payable

11. The duty upon any instrument of a type specified in the First Column of the Schedule is payable by the person or persons mentioned in respect of such instrument in the Third Column of the Schedule, and if 2 or more persons are so liable they are liable jointly and severally.

Time for stamping

12. Every instrument liable to be stamped under this Ordinance must be so stamped within 28 days after it has been executed.

Penalty for late stamping

13. (1) If any instrument is stamped more than 28 days after it has been executed, there is payable an additional amount of duty (hereinafter called a “**penalty**”) equal to one half of the duty otherwise payable, for each 3 months (or part thereof) elapsed since the date by which the instrument should have been stamped.

(2) The Controller may remit any penalty (either in whole or in part) if satisfied that the failure to stamp the instrument in due time was not due to the fault of the person or persons liable for such stamping.

Offences

14. (1) It is an offence for a person—

- (a)* being a person liable to pay duty upon any instrument, or to affix or cancel any stamp, wilfully to neglect or to refuse to do so;
- (b)* wilfully to make or alter any instrument, or to make any false statement or declaration, with a view to avoiding the payment (by that person or another) of any duty otherwise lawfully payable; or
- (c)* being a person responsible for the custody of any stamp or die, knowingly to permit the same to be used or applied so as to indicate that duty has been paid which has not in fact been paid.

Penalty: Imprisonment for 3 years or a fine of £1,000, or both.

(2) Any duty lawfully payable under this Ordinance remains so payable notwithstanding any criminal proceedings under this section.

Rules

15. The Governor-in-Council may make rules generally for giving effect to this Ordinance; and may, in particular by such rules, provide—

- (a)* for the type or types of stamps to be used, under section 4, to denote the payment of duty;
 - (b)* for the manner in which such stamps are to be applied or affixed, including provisions as to the cancellation of any such stamps;
 - (c)* that instruments of any of the types liable to be stamped under this Ordinance must be in prescribed forms, or must include prescribed particulars or declarations.

STAMP DUTIES RULES, 1987

(Section 15)

TABLE OF CONTENTS

1. Citation
2. Denoting payment of duty
3. Further provisions as to stamps
4. Certificate of value

Citation

1. These rules may be cited as the Stamp Duties Rules, 1987.

Denoting payment of duty

2. The payment of duty upon any instrument may be denoted by either—
 - (a) affixing to the instrument a postage stamp or postage stamps of value or total value not less than the duty payable upon the instrument; or
 - (b) an embossed seal in a form that the Controller of Stamps from time to time approves.

Further provisions as to stamps

3. (a) If the payment of duty is denoted in the manner authorised by rule 2(a), the person affixing the stamp or stamps must cancel it or them by writing or stamping across the face of the stamp or stamps the date on which it was or they were affixed.

(b) If the payment of duty is denoted in the manner authorised by rule 2(b), the seal must be affixed by the Registrar of Lands, or a member of his or her staff, upon payment to the Registrar of Lands of the duty due on the instrument.

Certificate of value

4. Every instrument effecting the creation or disposal of any land (or any interest in land) must contain a certificate (in the form set out in the Schedule to these Rules) as to the value of the land or interest created or transferred; and every person executing such an instrument is deemed to confirm the contents of such certificate.

SCHEDULE
(Rules 4)

The parties to this instrument hereby certify that the value of the land or interest created or transferred by it is £..... (or the amount of the consideration ~~above~~ mentioned in the instrument).
