## VACANCY - CONSERVATION TECHNICIAN

EMD's Terrestrial Conservation Section would like to recruit a Conservation Technician to join the Peaks Management team and take part in the restoration of St Helena's cloud forest. If you are interested in saving St Helena's unique habitats and want to contribute to the most diverse restoration project in the UK Overseas Territories, the role of conservation technician might be just for you. It is anticipated that the post will continue until March 2019.

The successful candidate should ideally have adequate knowledge in propagation techniques, endemic plant knowledge and field work experience.

Salary for the post will be at B4 which is £7,226.00 per annum however someone with less experience will be considered at a training grade.

For further details regarding this post, interested persons should contact Mr Lourens Malan; on telephone number 24724 or e-mail [lourens-malan@enrd.gov.sh](mailto:lourens-malan@enrd.gov.sh)

An application form and Job Profile is available from Essex House and Scotland Office and should be submitted to the Human Resources Manager, ENRD, Essex House or e-mail [karen-thomas@enrd.gov.sh](mailto:karen-thomas@enrd.gov.sh) by no later than Monday 25th June 2018

All appointments are subject to the successful candidate providing satisfactory clearances, including a medical check and vetting/DBS clearance. SHG reserves the right to have information provided on the application form independently verified.

SHG positively accepts applications from all members of the community regardless of race, gender, disability, age, sexual orientation, religion or belief, and will consider all applications on the basis of merit, in accordance with the person specification. All disabled applicants meeting the minimum criteria listed in the job profile will be guaranteed an interview.

Derek Henry  
Director, Environment and Natural Resources Directorate
