## HEALTH DIRECTORATE VACANCIES - ENVIRONMENTAL HEALTH TECHNICAL OFFICERS

The Health Directorate has vacancies for two Environmental Health Technical Officers. The successful candidates will be expected to provide support to the Environmental Health Officers, in all environmental health activities which will require both office and outdoor working on a regular basis as required with the overall aim of protecting and improving the health and well being of all.

Some of the key tasks include:

- Carrying out inspections and investigations and submitting necessary recommendations and reports;
- Researching, compiling, synthesizing, analyzing and interpreting public health information and data necessary to meet environmental health objectives;
- Providing advice and guidance to the public in response to questions and projects, environmental health programs, applicable ordinances, policies and procedures;
- Participating in presentations to public groups and governmental bodies to explain and clarify environmental health reports and recommendations;
- Conducting complaint investigations of various sites in order to have first-hand knowledge of the location under study;
- Participating in enforcement activities which may include giving evidence in court and other quasi-judicial hearings including acting as the key witness in prosecutions.

Essential qualifications for this post are:

- GCSE qualification or equivalent in Maths and English; and one Science related subject (Biology, Physics or Chemistry) at grade C or above;
- Valid drivers licence;
- Good IT Skills, proficient in the use of all Microsoft programmes
- Experience in food safety and health and safety related matters

Salary is at Grade C, commencing at £8,613 per annum.

Health Directorate, St Helena Government, Island of St Helena, South Atlantic Ocean, STHL 1ZZ
