The Next Mrs Parrish by Liv Constantine

Amber Patterson Parrish has come a long way. Hard work and immaculate planning turned her from invisible wallflower to prominent socialite, but there have been bumps along the way. Less than a year after her husband Jackson's tax-evasion scandal, Amber reigns supreme over the Bishops Harbour community. But with Jackson being released from prison, Amber's free time and money is vanishing. Meanwhile, Daphne Parrish left Bishops Harbour after her divorce from Jackson, swearing she would never go back. But when one of her daughters runs away from home, desperate to see her father, Daphne agrees to return for the summer. Jackson swears he's a changed man, but Daphne knows all too well that he can't be trusted.

When a ghost from Amber's past emerges looking for revenge, these three find unlikely allies in one another. But who is playing who? When all is said and done, they'll have to fight tooth and nail for everything they have left in this zero-sum game.
