

Book of the Week

This Woman by Jodi Ellen Malpas

Jesse Ward has stumbled through life drinking and indulging himself within the rooms of his high-class sex club, The Manor, numbing himself to the pain, grief, and guilt of his wrongs. Pleasure and alcohol are his medicine. Hedonism is all he knows.

It's how he copes.

How he survives.

Until Ava O'Shea strolls into his office and knocks him back with her breath-taking beauty, ambition, and drive. It only takes one look into her eyes, one touch of her skin, and one word murmured, before his heart is kick-started, offering him something he never thought possible. A distraction from his daily torment. A semblance of peace.

Women never reject Jesse Ward. They fall at his feet, melt from his charismatic, devious smile, and obey his every salacious command. All except the one woman who unwittingly becomes his obsession and the only thing that can keep him from the brink of self-destruction.

He needs Ava and will do anything to have her.

Even hide every last skeleton in his large closet.

Because the truth could destroy them both.
