

Hello, I am Connie Caval Johnson, my date of birth is the 4 January 1969. I grew up at Hopes Cottage in New Bridge in a large but close-knit family.

I married my husband Keith in 1992, we have two sons, and I have recently become a nanny to Starr. We live at Ladder Hill where I am fortunate to look out at the Atlantic Ocean every day and most evenings I view some truly amazing and heartwarming sunsets.

In April 1986, at just 17 years of age, I started working for the St Helena Government in the Revenue Section and stayed there for several years and later moved into the accounting field; this was back in the days before computers when everything was either handwritten or on a typewriter.

I obtained my GCSE in Accounting in 1993, through day release classes and my Accounting Level 2 in 1995.

After many years in the accounting field, in 2012 I transferred to Corporate Support where many of my duties were administrative, but I continued to study and achieved a Level 5 Certificate in Leadership and Management in 2015 and a Degree of Bachelor of Arts with Distinction in Business and Enterprise in June 2018.

I have been the Secretary to Executive Council for several years, also working as the Legislative Office Team Leader/Clerk of Councils and temporary PA to His Excellency the Governor. I have also received some work experience in Jersey and attended a forum in Westminster whilst previously working at the Legislative Council Office.

In December 2023 I transferred back to Treasury and was the Pensions and Payroll Manager before starting my term as the Deputy Speaker in September 2025.

I am also the Treasurer for the St Helena Heritage Society and a Member of the St Helena Medical Support Fund.

I enjoy reading, baking, watching synchronise swimming on TV and playing quiz alongside my Stormchasers teammates.
