

ST HELENA LEGISLATIVE COUNCIL

ORDER PAPER

Eighth Sitting of Ministers Question Time

Tuesday, 02 June 2026 at 10:00am in the Council Chamber

Island Resilience & Critical Infrastructure

1. Address by the Speaker

2. Questions:

(Questions have been listed in alphabetical order but will be selected randomly for response during the meeting)

The Hon Clint Beard:

Will the Honourable Minister for Safety, Security and Home Affairs tell this House what information the UK Minister has received in respect of extra financial support for preventative maintenance of the Island assets?

The Hon Ronald Coleman:

Can the Honourable Minister for Safety, Security and Home Affairs tell this Council if the St Helena Government Resilience Forum have any agreements with any regional or international partners to secure supplies or services which may be required during any emergency crisis framework?

The Hon Dr Corinda Essex:

Will the Honourable Minister for Safety, Security and Home Affairs tell this Council, what is St Helena Government's policy relating to the upkeep and replacement of its critical physical infrastructure?

The Hon Denis Leo:

Will the Honourable Minister for Safety, Security and Home Affairs tell this Council what practical plans are in place to keep our community safe, informed, and supplied with essential food and fuel if a major crisis cuts St Helena off from the rest of the world?

The Hon Robert Midwinter:

Will the Honourable Minister for Safety, Security and Home Affairs tell this Council, what strategic planning approach is taken by her portfolio towards risk management?

The Hon Derek Thomas:

Will the Honourable Minister for Safety, Security and Home Affairs tell this Council, what engagement has the Government undertaken with island businesses, infrastructure operators and community organisations to strengthen resilience planning, safeguard critical services and ensure island economies are better prepared should there be future disruption?

The Hon Julie Thomas:

Will the Honourable Minister for Safety, Security and Home Affairs tell this Council, when our emergency plans were last put to the test in a real-life simulation, and what major gaps or weaknesses were found?
