Book of the Week

The Money-Saving Gardener Containers by Anya Lautenbach

The money-saving gardener, Anya Lautenbach, shows you how to create beautiful displays in pots all year round for less, no matter your space.

With arrangements for spring, summer, autumn, and winter, there are projects for you to create in your own garden for colour and interest every month of the year from spring bulbs to brighten your day to charming paper whites that make a meaningful and beautiful gift in the darker months.

Throughout the book, Anya shares her money-saving advice on choosing pots and creative ways to repurpose everyday items, as well as tips and tricks to conserve expensive resources such as compost and water, and plenty of guidance on propagating plants for free.

Find joy in the small things all year round with The Money-Saving Gardener Containers.
