CORRECTION OF GAZETTE

Gazette Notice No. 148 published in Extraordinary Gazette No. 70 dated 29 September 2017 is corrected by substituting the Water Tariff Charges for Other Use as follows:

Commercial	£3.01
Agricultural treated	£1.53
Agricultural untreated	£0.77

The St Helena Utilities Regulatory Authority issued a Directive (dated 22 September 2017) under section 5(1)(c) of the Utility Services Ordinance, 2013, to fix the maximum charges that may be levied by Connect St Helena Ltd on water and electricity services with effect from 1 October 2017. The above gazette notice which was published to give notice of the Directive reflected the Water Tariff Charges for Other Use incorrectly.

The water tariffs charged by Connect St Helena Ltd with effect from 1 October 2017 have not exceeded the maximum amounts fixed in the Directive of 22 September 2017 and the correction of the gazette notice will therefore not result in any refunds.
