Date : Wednesday, 28 June 2017
Time : 9 am
Venue : The Education Learning Centre (ELC), Jamestown

A. Attendance and Welcome

B. Declarations of Interest

C. Applications for LDCA Determination on 28 June 2017

1) Application 2016/136

- Applicant Requests **Outline Development Permission** from the Land Planning Authority to Site a Sewage Treatment Plant (underground) in the vicinity of the Ladder Hill Guns Area, to serve the Greater Half Tree Hollow Area
- **Two (2) Potential Alternatives / Sites** have been proposed by the Applicant to be determined by the LDCA Members during this Open Session.

2) Application 2016/137

- Applicant Requests **Outline Development Permission** from the Land Planning Authority to Site a Sewerage Treatment Facility (Pump Station and Amenities) in the North-Western Area of Jamestown.
- **Three (3) Potential Alternatives / Sites** have been proposed by the Applicant to be determined by the LDCA Members during this Open Session

3) Application 2016/138

- Applicant Requests **Outline Development Permission** from the Land Planning Authority - the proposals are in the proximity of Jacobs Ladder with the view to combine the greater Half Tree Hollow Areas with the greater Jamestown Sewerage Network, which will result in the simultaneous Treatment and Management of Sewage of both these areas.
- Sites to be determined by the LDCA during this Open Session:
 - i) **Two (2) Potential Alternatives / Sites** for Erecting of an Underground Screening Facility
 - ii) **Four (4) Potential Alternatives / Sites** for Routing the Sewer Pipes
 - iii) **Two (2) Potential Alternatives / Sites** for Erecting an Underground Stilling Chamber
