## Application for a Special Warrant under Head and Sub-heads

### Shown overleaf

The costs relate an employment dispute. The claim concerns matters which must remain confidential, and about which, consequently, limited information can properly be given.

The costs incurred are the settlement costs agreed by negotiation between St Helena Government (SHG) and an ex-employee.

This is an urgent and unforeseen call on the consolidated fund and there is no budget for it, therefore this special warrant is requested as the most appropriate means for authorising this expenditure.
