Message from Chief Scout

I really wanted to write to send you my best wishes to all members of the 1st Jamestown Scout Group past and present, and to offer my heartiest congratulations on this great occasion in your Scouting history as you celebrate 100 years. With such a proud record, I know that Scouting in the Group will continue to go from strength to strength. What a great Scouting example you guys are.

Thank you for all that you have done for our Movement over the last 100 years and my very best wishes for the future.
