

LANDSCAPE CHARACTER AREA 5

Photo 5.1: The eroded slopes of Bilberry Field gut give rise to dramatic colours in the landscape, known locally as the 'paint palette'

Photo 5.2: The existing track at Bradleys which the haul road will follow

Photo 5.3: Creeper dominates the vegetation at Horse Point with the landfill in the midground view and residential properties at Bottom Woods in the distance

Photo 5.4: Extensive erosion gullies around Government Garage

Photo 5.5: Extensive erosion gullies in the upper reaches of dry gut to the west of Ben Coolen

Photo 5.6: Gumwood plantings at the Millennium Forest

Photo 5.7: The pasture of Fisher's valley contrasts with the surrounding eroded slopes

Photo 5.8: Extensive gully systems and sparsely vegetated slopes are typical of this area

LANDSCAPE CHARACTER AREA 6

Photo 6.1: The central basin at Prosperous Bay Plain (PBP)

Photo 6.2: The sparsely vegetated and exposed semi-desert landscape at PBP

Photo 6.3: The extensive worked landform to the north east of PBP

Photo 6.4: Dramatic cliffs define the eastern edge of PBP

Photo 6.5: Elevated view of PBP with The Peaks in the distance

Photo 6.6: The remains of Prosperous Bay Signal Station

Photo 6.7: PBP with the distinctive form of Great Stone Top in the distance

Photo 6.8: Extensive dykes apparent in the dramatic rock formations of King and Queen Rocks
