<sup>1</sup> Under section 10 of the Revised Edition of the Laws Ordinance, 1999 this text is authoritative and is the sole authentic edition in respect of the law contained in it as at 1 November 2017.

<sup>2</sup> This Ordinance applies certain St Helena laws to Ascension, including English laws applied to St Helena by the English Law (Application) Ordinance, 2005 (SH) (see the text on this website.) For other English laws applied to Ascension of their own force or by Order in Council, see the List of UK Laws Applied to St Helena, Ascension and Tristan da Cunha, also on this website. For guidance on the application of English Laws to St Helena and Ascension, see the court judgments Annexed to the General Introduction to this website.

- 1A.** For purposes of this Ordinance, “the Law of St Helena” includes—
- (a) any Ordinance of St Helena and subsidiary legislation issued under it; and
  - (b) any English law which applies to St Helena by virtue of the English Law (Application) Ordinance, 2005.

### **Application of St Helena Law**

**2. (1)** Subject to the following provisions, so much of the Law of St Helena as is in force on 1 April 2017 shall be in force in Ascension.

**(2)** The said law of St Helena applies to Ascension only in so far as it is applicable and suitable to local circumstances, and subject to such modifications, adaptations, qualifications and exemptions as local circumstances render necessary.

### **Exclusion of St Helena law in certain circumstances**

**3.** The Law of St Helena applies to Ascension only insofar as it is not inconsistent with—

- (a) any enactment of the Parliament of the United Kingdom which extends to Ascension otherwise than by virtue of this Ordinance;
- (b) any Order of Her Majesty in Council which extends to Ascension otherwise than by virtue of this Ordinance; or
- (c) any provision made by or under any law enacted by a legislature for Ascension.

### **Supplementary provisions concerning St Helena law**

**4. (1)** Subject to subsection (2), if in any Ordinance of St Helena which has been applied to Ascension a reference occurs to the Governor in Council, such reference is, in its application to Ascension, to be construed as a reference to the Governor.

**(2)** If an Ordinance of St Helena confers a power to make subsidiary legislation on the Governor in Council, subsidiary legislation so made shall apply to Ascension (insofar as it is appropriate to local circumstances and not inconsistent with any local enactment, and subject to any modifications local circumstances render necessary), whether made before or after the date of the application of the Ordinance to Ascension.

### **Governor may make Orders**

**5.** The Governor, after consultation with the Island Council of Ascension, may, by Order published in the *Gazette*—

- (a) declare that any Law of St Helena referred to in section 2 is not suitable to local circumstances and that such Law is accordingly excepted from application by virtue of section 2(2); or
