

# MARITIME TRAINING @SHCC

## ESSENTIAL NAVIGATION

The Essential Navigation and Seamanship Course is an inspiring online navigation course for anyone interested in sailing, motor boating, sea angling or diving – or pretty much anything else on the water!

This online course will give you the essential knowledge needed when you're afloat, from navigation to safety and seamanship to passage planning.

## RYA VHF RADIO COURSE ONLINE

This is a RYA VHF radio course online for anyone who owns a fixed or hand-held marine VHF radio.

A marine radio is an important piece of safety equipment to have on board and it is vital to understand the correct operational procedures. Unnecessary radio transmissions could block out a Mayday distress call.

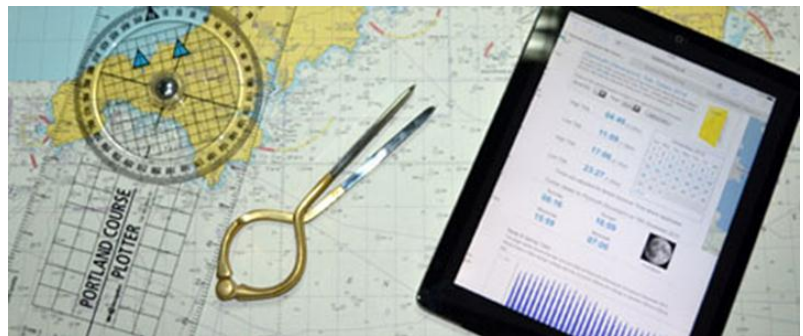

The Short-Range Certificate (SRC) is the minimum qualification required by law to operate a VHF radio fitted with Digital Selective Calling (DSC) on any British vessel voluntarily fitted with a radio.

## DAY SKIPPER ONLINE

This course covers Sail, Powerboat and Motorboat and is a full functioning learning programme with animated graphics and quizzes that give immediate results. No matter where you are in the world, the Day Skipper course can be tailored to your requirements.

There are no pre-course requirements for this RYA online Day Skipper theory course, but some sailing knowledge is helpful. You will receive RYA Certification on satisfactory completion of the course.

## PROFESSIONAL PRACTICE AND RESPONSIBILITY COURSE (PPR) ONLINE

The online PPR course (Professional Practices and Responsibilities) is designed for new and re-validating RYA Commercial Endorsement holders.

During the PPR course you will cover the legal framework that commercial operators need to adhere to, whichever vessel they work on. While we can't teach the specific rules for every type of operation, this online PPR course will help you understand and execute your duty of care, and give you principles, guidance and techniques to help make the right choices and decisions.
