

	Geology & Stability
G1	Rock Fall / Landslip
	Utilities & Infrastructure
U1	significant loss of power network infrastructure national / local
U2	Loss of telecommunications infrastructure
U3	Failure of Fuel Station infrastructure
U4	catastrophic breach loss of reservoir / dam /boreholes
U5	Loss of domestic fuel supply
U6	Emergency Services Radio Network
	Natural Hazards
N1	Extreme/Severe Weather Events
N2	Drought / significantly reduced annual rain fall
	Emergency Incidents
E1	Aircraft incident on Island
E2	Aircraft Incident off shore
E3	Major Road Traffic Collision
E4	forest fires / brush fires
E5	Bulk Fuel Installation / Fuel tanker Fire, Explosion
E6	Maritime incident
E7	Increase in transient Population due to failure of Transport (Cruise Ship)
E8	Port Operations
E9	Evacuation of Jamestown and Rupert's due to Major Incident
	Environment / Pollution Control
P1	Commercial fuel spillage/ leak catastrophic failure
	Health and Welfare
H1	Infectious outbreak / Pandemic / Epidemic (Human Health)
	Bio-Security Breach
B1	A Bio-Security Breach of Animal, Pest or Plant.
	Security & Enforcement
S1	International Terrorism
S2	Civil Disorder / Large scale Demonstrations
S3	Aircraft hostile takeover / hijack condition
S4	Maritime Security
	Governmental Adversity
A1	Significant failure of business continuity within St Helena Government
