

The following is a summary of comments received on the St Helena Map as a result of public consultation and it is recommended by the Working Group that they be accepted.

COMMENTS
· Old road to Brook Hill farm is missing
· Springs to be added
· Ruin at Lemon Valley to be added
· Tracks are missing, to be added.
· Churches to be added as a symbol.
· Springs Fishing track to be added
· Rock Mount no longer a ruin
· Track from the Elephant joins up to the track ending up at stone top. (See MAP)
· Clinics should be added as a symbol
· Picnic areas to be added as a symbol
· Cemeteries to be added as a symbol
· Access to Sandy Bay Barn post box walk. (To be marked as a restricted access)
· Old Lufkin's, no longer a ruin. (Nr Peak Dale)
· Rose Cottage is a ruin. (Nr Sandy Bay Ridges)
· Teutonic road is tarmacked should be residential road direct to houses.
· Name/location of Gorilla's Head is missing.
· Start of Diana's Peak walk from Black Gate and Halley's Mount is missing.
· Sunflower café no longer open.
· Bertrand's cottages no longer operational
· Gill Point p/box walk missing
· Rupert's slave graves is missing.
· The icons seem a bit big, obscuring the details of the places like HTH
· The Asses' Ears are in wrong location.
· Some fishing tracks more prominent than post box walks-unlikely to be used by tourists.
· Putty Hill near Alarm Forest name to be added
· Haul roads names to be added
· Sea Rescue Building to be the same colour on the map as Fire/Hospital/Police.
· Rename Bertrand's as an accommodation. (Remove Symbol)
· Remove GIS and non GIS p/box walks. Set as Post Box walks or tracks/ paths unmaintained
· Add new post-box walk to King and Queen rock.
· Make Diana's Peak text bigger. Tracks are hard to see.
· Add new picnic sites on haul road.
· Add all public add toilets. (add locked or unlocked)
· Label High Knoll Fort as a viewing point.
· Arrow pointing towards wharf to show start of tourist boat trips.
· 3x Sandy Bay districts (Set layer to Show one label per feature)
· Add Playground near Sharks Valley.
· Add names of smaller islands around St. Helena.
· Maniti Bay spelt incorrectly. (Correct spelling Manati)
· Add in memorial sites
· Airport security fence need to be clearer.(Restricted Areas to be made more Prominent)
· Make post box walks clearer.
· Add Blue Point and Man and Horse as sites of ecological interest.
· Mazies Longwood shop missing
· Add Longwood quarries.
· Add Battery near Ian Gough's residence in Thompson's Hill
· change the space between level wood district.
· Show path from Ian Gough's residence to Lemon Valley
· Correct spelling of Maldiva house.
· Change Halford School to Harford School.
· Add Long range walk to fishing path.
· Add path to Frighitus
· Add Rock Rose walk
· Add track from Sharks to Stone Top.
· Ensure radio nuclide/ magnetic station/ earth quake station is listed .
· Banks's Half Moon to be labelled King William's Battery as that is its original name and differentiates it from the one at Lemon Valley.
· Close to the Peaks, Newfoundland is marked. It is way too prominent (Smaller text)
· At Horses Head, Sandy Bay there are four gun platforms and a magazine (to add)
· There is only one true Martello tower on St Helena, the round tower inside High Knoll Fort, but there is no need to label it as such
· Not all of the footpaths are marked e.g. Longwood Boundary and plantation Forest – there seems to be the paths shown but not highlighted as an actual walk, we have a list of footpaths which have been accredited and should be named (Tourism)
· We also note you have Farm Lodge – however not All accommodation businesses are marked – agreed all current accomodation should be shown.
