

Memorandum for the Social and Community Development Committee

REVIEW OF FEES AND CHARGES

Decision Sought

Committee is asked to agree the proposed increases in fees and charges as set out in the table below and in the attached draft Legal Notices for the statutory fees.

Background and Considerations

1. As part of the 2020-2023 MTEF budget process, Directorates have been asked to review statutory and discretionary fees and charges in accordance with SHG's Charging Policy 2013.
2. Fees for Archives research are non-statutory. Two different fees are applied, one for residents (currently £18.90 per hour) and one for non-residents (currently £41.75 per hour). It is proposed that these are increased in line with inflation for year 1 as set out in the MTEF guidelines; that is 4.4%.
3. Statutory fees falling under the remit of the SCDC are those for Charities Fees, Liquor Regulations and Gaming Machines Regulations.
4. The table below shows current fees and proposed fees for Archives Research, Gaming Machine Licences, Liquor Licences and Charities fees. SCDC is asked to consider and agree the proposed new fees for implementation from 1 April 2020.
