Dear **NAME**

On **DATE OF DAY 0** you were directed to isolate on entry to St Helena for a period of 14 days after your date of arrival in accordance with Regulation 4 of the Public Health Prevention of Formidable Diseases (Coronavirus No 2) Regulations 2020.

At **23.59 on DATE OF DAY 14** you will have completed the 14-day quarantine period. As you have produced a negative Covid-19 test result you will no longer be required to quarantine once your quarantine period ends.

I would also like to take this opportunity to thank you for your patience and understanding in what is a difficult time for all across the world.

Yours sincerely,

Janet Lawrence
Interim Director of Health
