PUBLIC HEALTH ORDINANCE, 1939

PUBLIC HEALTH (PREVENTION OF FORMIDABLE DISEASES) (CORONAVIRUS NO. 2) REGULATIONS, 2020

EXEMPTION FROM 14 DAY ISOLATION PERIOD

By virtue of the power vested by regulation 4(6) of the Public Health (Prevention of Formidable Diseases) (Coronavirus No. 2) Regulations, 2020, the Governor in Council by Order exempts Kirsty Parvin, being a nurse accompanying a returning patient on the flight which is expected to arrive from the United Kingdom on or around 12 May 2021, from the requirement for isolation under regulation 4(1). This exemption is subject to the condition that she remains in isolation at such location as a Proper Officer directs until the departure of her flight from St Helena, and that she complies with all other the requirements set by a Proper Officer.

This exemption does not otherwise affect the application of the Public Health (Prevention of Formidable Diseases) (Coronavirus No. 2) Regulations, 2020.

Dated this 12th day of May 2021

Connie C Johnson
Clerk of Councils
