Citation

1. These Regulations may be cited as the Customs (Export and Import Control) (Amendment) Regulations, 2021.

Insertion of paragraph 9

2. (1) The Customs (Export and Import Control) (Amendment) Regulations, 1988 are amended in the First Schedule by inserting after paragraph 8A the following paragraphs—

- “9. The following exterior light fittings or sources—
- (a) light fittings suitable for exterior use with integrated (pre-installed) light sources emitting light at colour temperatures greater than 3,000 Kelvin or an S/P ratio greater than 1.3;
 - (b) light fittings suitable for exterior use with 1,500 Lumens initial lamp output where the fitting cannot be fitted so that zero light is output at 90 degrees and above;
 - (c) light sources suitable for exterior use emitting light at colour temperatures greater than 3,000 Kelvin; and
 - (d) high intensity light sources greater than 55,000 initial Lumens eg. output greater than 400w high pressure sodium.

9A. For the purpose of paragraph 9—

“**colour temperature**” of a light source, means the temperature of an ideal black-body radiator that radiates light of comparable hue to that of the light source and is conventionally stated in the unit of absolute temperature Kelvin (K);

“**exterior light fitting**” means a light fitting for exterior purposes that is not fitted with a motion sensor and can be set to turn off within a specified period of time and does not include exterior light fittings or sources used for—
