2021 Population and Housing Census

Form E1: Personal Questionnaire

This form is prepared in accordance with the Census Ordinance CAP 159 and is the property of St Helena Government. It is a legal obligation to accurately complete the Census. Not to do so is an offence punishable by a fine, and/or imprisonment. Disposal or destruction of this document may also result in a fine or further penalty. Your personal information is protected by law: it will be used for statistical purposes only, and will not be shared with anyone outside of the Statistics Office. Census Questionnaires must remain confidential for 100 years.

Census night is Sunday 7 February 2021

Who should use this form?

This form is to be used as an extension form for households with more than five household members (excluding visitors) on Census night, or for individuals who wish to complete their questionnaire seperately (for visitors, please use Form E2 Visitors (Extension)). The Household ID should be the same as that of the parent household form.

This census is a complete count of all the people on St Helena, and it provides a detailed picture of the characteristics of St Helena's population and housing stock. **Everyone is included**: all people, households and visitors. Taking part in the census is very important and is compulsory: the information collected will be used for planning and decision-making for years to come.

Please complete your census questionnaire on Sunday 7 February 2021, or as close as possible to this date.

The completed form must be available for collection by the following day, <u>Monday 8 February 2021</u>. The Declaration on page 1 must be signed by the person/householder responsible for completing and returning the form, and it is essential that the responses to all questions are fully completed and truthful. Please note that you could face a fine or imprisonment if you do not participate or if you supply false information.
