The Dark Skies Bill was discussed and some minor changes were made. The comments received from the public and various organisations on this will be responded to in due course.

The review of the Property Disposal Policy and the Immigrant's Landholding Licence Policy is still ongoing.

A request was made for an amendment to the Land Planning and Development Control Regulations, 2013 to support the implementation of the Tobacco Control Ordinance and Regulations. It was suggested that this should be discussed with the public and invite any comments to the Secretary of the Environment & Natural Resources Committee via email: enrd.committee@sainthelena.gov.sh.
