A controversial Senator, found murdered in his bed. A little girl, savagely beaten to death. Alex Cross is under pressure from two fronts but he knows even he can't solve both cases. Faced with an impossible choice, Cross has to come up with something incredible because right now, nobody in Washington is safe, and it's only a matter of time before the killer sets their sights on the ultimate target.

Restless by William Boyd

It is 1939. Eva Delectorskaya is a beautiful 28-year-old Russian émigrée living in Paris. As war breaks out she is recruited for the British Secret Service by Lucas Romer, a mysterious Englishman, and under his tutelage she learns to become the perfect spy, to mask her emotions and trust no one, including those she loves most. Since the war, Eva has carefully rebuilt her life as a typically English wife and mother. But once a spy, always a spy. Now she must complete one final assignment, and this time Eva can't do it alone, she needs her daughter's help.

The Understudy by Sophie Hannah, Clare Mackintosh, BA Paris and Holly Brown

Carolyn, Bronnie, Elise, and Kendall are bound together by one thing - their four daughters are best friends at the highly competitive Orla Flynn Academy for the Performing Arts. Imogen Curwood is a new girl at the Academy and her behaviour is odd from the start. On the day she arrives, bad things start to happen. As one threatening incident follows another, the four mothers begin to ask themselves: are their girls in danger? When an attempted murder rocks the school, Imogen is pleased to report that she has an alibi. If she isn't the guilty party, someone else must be.

Carolyn, Bronnie, Elise and Kendall are determined to uncover the truth and protect their daughters. But are they prepared to risk their own secrets being exposed?

JOHNSTONE	Riding Shotgun by William W Johnstone If anyone knows the road to purgatory, it's Red Ryan. As a stagecoach guard, he's faced holdups, ambushes, and all-out attacks from every kill-crazy outlaw, Indian, and prairie rat. But even he's a bit reluctant to take on his next job: riding shotgun with his driver Buttons Muldoon on a stage bound from Fort Concho, Texas, to Fort Bliss. Word has it, the Apaches are on the warpath. They're being led by the vicious war chief llesh, which means "Lord of the Earth." And this lord means business, as in slaughtering every Texan from here to El Paso. Red wants to postpone the stage. But an army major's beautiful but stubborn wife insists they leave or
	she'll go it alone. So Red has no choice. Thus begins a nightmare journey into 400 miles of harsh, unforgiving terrain, blood-drunk killers, and one scheming devil who plans to paint the town of El Paso red starting with Red's blood.
The ONLY KAYAK The ONLY KAYAK The ONLY KAYAK The ONLY KAYAK The Decempendent of the other ot	The Only Kayak by Kim Heacox I live in the sunshine of friends and the shadows of glaciers. I suppose I will die there too, if all goes well. No hurry though. The hardness of water, the ebb and flow of ice, the once and future glaciers of America, they created my home and they will destroy it. My winter is only a heartbeat to them. Don't get me wrong. I wasn't born in a cave or raised by wolves. I grew up on pavement and the soft seat of a Schwinn Red Racer, gripping the handlebars with everything I had. Then I let go. Somewhere along the way I let go and found something new, but also something ancient. I moved to Glacier Bay, Alaska, the last wild shore, nine hundred miles north of Seattle and nine hundred years in the past, and I never came back."
A NEW NAPA CUISINE Christopher Kostow	A New Napa Cuisine by Christopher Kostow A New Napa Cuisine follows Christopher Kostow's journey from a young line cook in a seaside town to the storied Restaurant at Meadowood, the Napa Valley mainstay that has earned three Michelin stars and James Beard Awards for best chef and outstanding service under Kostow's leadership. Through 100 artfully constructed recipes and stunning photography, Kostow details the transformative effect this small American valley has had on his life and work introducing us to the artisans, products, growers, and wild ingredients that inspire his unparalleled food. As he shares stories of discovering wild plums and radishes growing along the creek behind his home or of firing pottery with local ceramists, Kostow presents a new Napa cuisine one deeply rooted in a place that's rich in beauty, history, and community.
