By virtue of the power vested by regulation 4(6) of the Public Health (Prevention of Formidable Diseases) (Coronavirus No. 2) Regulations, 2020, the Governor in Council by Order exempts the following persons, who are expected to arrive on or around 23 November 2021 to calibrate the landing aids at the St Helena Airport, from the requirement for isolation under regulation 4(1) to enable them to perform these functions:

This exemption does not otherwise affect the application of the Public Health (Prevention of Formidable Diseases) (Coronavirus No. 2) Regulations, 2020.
