GOVERNOR IN COUNCIL MEETING

Open/Closed Session: Open Session

Subject: Development Application for the proposed installation of a new Scientific Stilling Well at the new Wharf, Rupert's Valley.

Presented by: Minister for Environment, Natural Resources and Planning Portfolio.

Decision Sought:

Governor in Council is asked to consider and advise whether Full Development Permission should be granted, with Conditions, for the Proposed Installation of a New Scientific Stilling Well at Rupert's Wharf, as recommended by the Land Development Control Authority (LDCA).

A Report by the Chief Planning Officer is attached – Annex A.

Reason for Referral

The Development Application is within close proximity to the sea and in accordance with the existing Governor in Council Directive to the Chief Planning Officer (dated 17 April 2014), this application needs to be referred to the Governor in Council for a decision. The Direction covering this referral is as follows:

- Direction 3: *'The development of any land covered by water or land within 50 meters of land covered by water'.*
