PUBLIC HEALTH ORDINANCE, 1939

PUBLIC HEALTH (PREVENTION OF FORMIDABLE DISEASES) (CORONAVIRUS NO. 2) REGULATIONS, 2020

By virtue of the power vested by regulation 4(6) of the Public Health (Prevention of Formidable Diseases) (Coronavirus No. 2) Regulations, 2020, the Governor in Council by Order exempts KYLE BREITENBACH, an Aircraft Engineer who is expected to arrive with a team on or around 23 November 2021 to calibrate the landing aids at the St Helena Airport, from the requirement for isolation under regulation 4(1) to enable the team to perform these functions:

This exemption is granted subject to the conditions that this person must at all times comply with the requirements set by a Proper Officer and, when not performing these functions, must remain in isolation at such location as a Proper Officer directs until departure of his flight from St Helena.

This exemption does not otherwise affect the application of the Public Health (Prevention of Formidable Diseases) (Coronavirus No. 2) Regulations, 2020.

Dated this 22nd day of November 2021

Philip Rushbrook
Governor in Council
