PUBLIC HEALTH ORDINANCE, 1939

PUBLIC HEALTH (PREVENTION OF FORMIDABLE DISEASES) (CORONAVIRUS NO. 2) REGULATIONS, 2020

By virtue of the power vested by regulation 4(6) of the Public Health (Prevention of Formidable Diseases) (Coronavirus No. 2) Regulations, 2020, the Governor in Council by Order exempts MATTHEW EDWARDS, who is expected to arrive on or around 29 November 2021 to carry out survey work in connection with the Telecommunications Licencing Project, from the requirement for isolation under regulation 4(1) for such period or periods as required by him to perform these functions.

This exemption is granted subject to the conditions that he is not to commence performing these functions until Friday, 3 December 2021, and must at all times comply with the requirements set by a Proper Officer. When not performing these functions, he must remain in isolation at such location as a Proper Officer directs until the earlier of his departure from St Helena or completion of the required period of isolation under the Regulations.

This exemption does not otherwise affect the application of the Public Health (Prevention of Formidable Diseases) (Coronavirus No. 2) Regulations, 2020.

Dated this 2nd day of December 2021.

Philip Rushbrook
Governor in Council
