PUBLIC HEALTH ORDINANCE, 1939

PUBLIC HEALTH (PREVENTION OF FORMIDABLE DISEASES) (CORONAVIRUS NO. 2) REGULATIONS, 2020

EXEMPTION FROM ISOLATION

By virtue of the power vested by regulation 4(6) of the Public Health (Prevention of Formidable Diseases) (Coronavirus No. 2) Regulations, 2020, the Governor in Council by Order exempts Dr Brigid Hayden, a critical healthcare worker who arrived in St Helena on 24 January 2022, from the requirement to remain in isolation for such period or periods as may be required to perform any emergency healthcare duties.

This exemption is granted subject to the condition that this person must at all times comply with the requirements set by a Proper Officer and return to and remain in isolation as soon as these duties have been performed, until completion of the required period of isolation under the Regulations.

This exemption does not otherwise affect the application of the Public Health (Prevention of Formidable Diseases) (Coronavirus No. 2) Regulations, 2020.

Made by the Governor in Council this 26th day of January 2022.

Gregory Gibson
Acting Governor
