

DOES YOUR FAMILY/FRIEND REQUIRE ADDITIONAL WASTE STORAGE FOR A QUARANTINE PERIOD?

Waste Management Services (WMS) operate a free bin loan service for quarantining customers. A bin can be collected from Horse Point Landfill Site (HPLS) prior to the quarantine period, at the end of which it must be thoroughly cleaned and then returned to HPLS at the earliest convenience.

Bookings are essential and recommended in advance of a quarantine period by contacting;

Patrick Crowie – Landfill Manager on Tel 23655 or email
landfill.manager@helanta.co.sh

or

Terri Clingham – Environmental Officer Risk Management on Tel 24724 or
email terri.clingham@sainthelena.gov.sh

Please note; WMS are not responsible for the delivery or collection of quarantine loan bins. Late or non-return of a quarantine loan bin may result in full cost recovery for a new bin being billed to the customer.
