PUBLIC HEALTH ORDINANCE, 1939

PUBLIC HEALTH (PREVENTION OF FORMIDABLE DISEASES) (CORONAVIRUS NO. 2) REGULATIONS, 2020

EXEMPTION FROM ISOLATION

By virtue of the power vested by regulation 4(6) of the Public Health (Prevention of Formidable Diseases) (Coronavirus No. 2) Regulations, 2020, the Governor in Council by Order exempts Dr Damir Kacarevic and Helen Albon who are expected to arrive in St Helena on or around 27 March 2022, from the requirement for isolation under regulation 4(1) for such period or periods as required by them to provide urgent medical assistance and treatment to patients identified by the Director of Health.

This exemption is granted subject to the condition that they must remain at the location where they were directed to isolate by the proper officer, save when providing such medical assistance and treatment, and must at all times comply with all other requirements as directed by the proper officer or the Director of Health.

This exemption does not otherwise affect the application of the Public Health (Prevention of Formidable Diseases) (Coronavirus No. 2) Regulations, 2020.

Made this 25th day of March 2022.

Philip Rushbrook
Governor in Council
