PUBLIC HEALTH ORDINANCE, 1939

PUBLIC HEALTH (PREVENTION OF FORMIDABLE DISEASES) (CORONAVIRUS NO. 2) REGULATIONS, 2020

EXEMPTION FROM ISOLATION

By virtue of the power vested by regulation 4(6) of the Public Health (Prevention of Formidable Diseases) (Coronavirus No. 2) Regulations, 2020, the Governor in Council by Order exempts Huw Jones a meteorologist who is expected to arrive in St Helena on or around 7 May 2022, from the requirement for isolation under regulation 4(1) for such period or periods as required by him to perform meteorological services to support airport operations.

This exemption is granted subject to the condition that, save when performing such services, he must remain at the location where he was directed to isolate by the proper officer and must at all times comply with all other requirements as directed by the proper officer or the Director of Health.

This exemption does not otherwise affect the application of the Public Health (Prevention of Formidable Diseases) (Coronavirus No. 2) Regulations, 2020.

Made by the Governor in Council this 6th day of May 2022.

Philip Rushbrook
Governor
