## Directors' Report For the year ended 31 March 2022

---

### Objectives and Activities

Our vision: "St Helena's heritage for all, forever."

Our mission: "Championing the conservation of St Helena's built, cultural, and natural heritage, through evidence-based proactive management, engagement, and partnerships"

The Trust has the following purposes:

- To promote the appreciation, protection and enhancement of St Helena's unique environmental and culture heritage.
- To acquire and hold in perpetuity land of natural beauty or buildings and objects of historic or cultural interest for the benefit of people today and of future generations.
- To give the people of St Helena a stake in the future of their unique environmental and cultural heritage.
- To provide opportunities for enjoyment, education, recreation and spiritual refreshment. The principal objectives of the Trust are:
- To promote the permanent preservation for the benefit of St. Helena of lands and buildings of beauty or public, architectural, artistic, or historical interest and, in the case of lands, the preservation (so far as possible) of their natural aspect features and animal, plant and marine life.
- To promote the protection and augmentation of the amenities of such buildings and places and their surroundings.
- To maintain and manage lands acquired by the Trust as open spaces or places of public resort and buildings so acquired for purposes of public recreation, resort or instruction.
- To promote the preservation of furniture, pictures, documents, and chattels of any description having national or historic or artistic interest.
- To tender advice to the St. Helena Government on any matter contained in these objectives.
- To promote the access to and the enjoyment of such lands, buildings, places and chattels by the public.

#### **Statement of Directors' Responsibilities**

Management are responsible for preparing the financial statements in accordance with Section 1A of Financial Reporting Standards 102 and to present the statements in such a way as to give a true and fair view of the state of affairs of the organisation for that year. Any significant assumptions used by the organisation in making accounting estimates, including those measured at fair value, should be reasonable.

Any related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of the Section 1A of Financial Reporting Standards 102. All events subsequent to the date of the financial statements and which require adjustments or disclosure have been adjusted or disclosed. The effects of uncorrected misstatements are immaterial, both individually and in the aggregate to the financial statements as a whole. All accounting policies and changes to the accounting policies used in the preparation of the final statements are described in the accounting policies note to the accounts.

#### **Statement as to disclosure of information to independent reviewer**

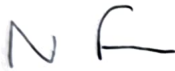

There is no relevant information of which the Independent Reviewer is unaware and the director and Trust Council have taken all steps they ought to have taken to make themselves aware of all relevant audit information and to establish that the Independent Reviewer is aware of that information.

The Independent Reviewer for the current financial year in accordance with the organisation's governing legislation, St Helena National Trust Ordinance, 2001 section 15.4 and the St Helena National Trust (Amended) Regulations, 2020 will be the Vincent Slayer LLP on behalf of the Chief Auditor of St Helena, as appointed at the Annual General Meeting held on the 9 November 2021.

## St Helena National Trust

### Independent Examiners' Report For the year ended 31 March 2022

---

I report to the members on my examination of the financial statements of St Helena National Trust ('the Trust') for the year ended 31 March 2022 under the St Helena National Trust Ordinance. The financial statements comprise the Statement of Financial position, Statement of Income and Retained Earnings and the related notes including the accounting policies.

This report is made solely to the members as a body, in accordance with the St Helena National Trust Ordinance. My examination has been undertaken so that I might state to the members those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the trustees as a body, for my examination, for this report, or for the opinions I have formed.

#### **Responsibilities and basis of report**

The Trust Council is responsible for the preparation of the accounts in accordance with Financial Reporting Standard 102.

Having satisfied myself that the accounts of the Trust are not required to be audited and are eligible for independent examination, I report in respect of my examination of the Trust's accounts. My responsibility is to review and express a conclusion on the Trust's financial statements in accordance with applicable legal requirements and the International standard on Review Engagements (ISRE) 2400.

#### **Independent examiner's statement**

A review engagement under ISRE 2400 is a limited assurance engagement. I have performed procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluated the evidence obtained. The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing (ISAs), and, accordingly, I do not express an audit opinion on the financial statements.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. Accounting records were not kept in respect of the Trust in accordance with the Trust's Ordinance; or
2. The accounts do not accord with those records; or
3. The accounts do not comply with the applicable requirements concerning the form and content of accounts set out in Financial Reporting Standard

**St Helena National Trust**

**Independent Examiners' Report  
For the year ended 31 March 2022**

---

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## St Helena National Trust

### Notes to the Financial Statements for the year ended 31 March 2022

---

#### NOTE 1

##### GENERAL INFORMATION

St Helena National Trust is a community based charity established under the St Helena National Trust Ordinance 2001 as amended in 2019. The address of the registered office is Broadway House, Main Street, Jamestown, St Helena Island.

#### NOTE 2

##### ACCOUNTING POLICIES

###### Basis of preparation

The financial statements have been prepared on the historical cost basis in accordance with Financial Reporting Standard 102 Section 1A small entities and are the financial statements of the parent entity, not group consolidated statements.

The financial statements are presented in St Helena Pound (£) which equate to GBP and are rounded to the nearest £1.

###### Going Concern accounting policy

After reviewing the entity's forecast and projections, those charged with governance have a reasonable expectation that the organisation has adequate resources to continue in operational existence for the foreseeable future. The organisation therefore continues to adopt the going concern basis in preparing the financial statements.

###### Significant Judgements and estimates

Preparation of the financial statements requires management to make significant judgements and estimates. The items in the financial statements where these judgements and estimates have been made include useful lives of long-lived assets. There is no certainty that realisable values in the future will match management's current estimates.

###### Financial reporting standard 102 (FRS 102) – reduced disclosure exemptions

The organisation has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by Section 1A of FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" for qualifying entities:

- Section 7 Statement of Cash Flows –option taken to not prepare a statement of cash flows

###### Investment in wholly-owned subsidiary

Investment in the wholly-owned subsidiary is accounted for at cost less impairment.

###### Property, plant and equipment

Tangible fixed assets including those acquired under development aid are measured at cost less accumulated depreciation and any accumulated impairment losses. Depreciation is calculated to write down the cost of all tangible fixed assets, other than freehold land, over their expected useful lives, using the straight-line method.

Buildings	20 years
Motor Vehicles	5 years
Plant and Equipment	5 years
Computer Equipment	3 years

## St Helena National Trust

### Notes to the Financial Statements for the year ended 31 March 2022

---

Fixed Assets costing less than £1,000 are charged directly to the Statement of Income.

#### **Impairment of assets**

At each reporting date fixed assets are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset is estimated and compared with its carrying amount. If the estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in the Statement of Income.

If an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised immediately in the statement of income.

#### **Debtors**

Short term debtors are measured at transaction price, less any impairment.

#### **Creditors**

Short term trade creditors are measured at the transaction price.

#### **Provisions for liabilities**

Provisions are recognised when the group has a present obligation as a result of a past event, it is probable that the organisation will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

The organisation recognises a provision for annual leave accrued by employees as a result of services rendered in the current period, and which employees are entitled to carry forward and use within the next 12 months. The provision is measured at the salary cost payable for the period of absence.

#### **Deferred Capital Grants**

Deferred Capital Grants are initially recognised as deferred income at cost if there is reasonable assurance that they will be received and the organisation will comply with the conditions associated with the grant; they are then recognised in profit or loss as other income on a systematic basis over the useful life of the asset.

#### **Grants**

Grants are accounted for on a receivable basis when there is probable and measurable entitlement to the income (i.e. the conditions for its award have been satisfied).

External assistance was received in the form of grants from donor agencies under agreements specifying the purpose for which assistance will be utilised. Grant funding received and receivable during the reporting period is disclosed in Note 13.

## St Helena National Trust

### Notes to the Financial Statements for the year ended 31 March 2022

Government grants for items that are written off in the year of purchase are credited to revenue in the same year.

#### Funds

Funds are established to monitor funding accrued for specific purposes and the expenditure incurred for those funds. The increase or decrease in unrestricted receipts for the year is transferred to retained earnings.

Grant funding toward administrative costs are recorded as a receipt in the fund for which the grant was provided to reflect the total grant receipts for the project. The contributions toward administrative costs are recorded as a transfer from the relevant fund to the SHNT General Account. Charges resulting from services rendered between funds are recorded as transfer between funds.

#### Taxation

St Helena National Trust is exempt from the provisions of the Income Tax Ordinance.

#### Foreign currencies

Assets and liabilities denominated in foreign currencies are translated at the rates of exchange ruling at the balance sheet date. Transactions during the year are valued at the rate prevailing on the day of the transaction. All exchange differences are taken to the Statement of Income.

The functional currency is the St Helena Pound (£) which is the same as the presentation currency for these financial statements.

St Helena National Trust (Guarantee) Ltd, a private company, limited by guarantee, is regarded as a controlled entity of St Helena National Trust as the articles of association provide that membership is drawn entirely from the serving membership of the Trust Council. The company's business activities are restricted to those of providing services for and on behalf of the St Helena National Trust and such other things as are incidental or conducive to the attainment of that object.

The Trust Council made a decision in May 2020 to cease operations in the SHNT Guarantee Ltd entity. The entity has not been deregistered but all liabilities were settled and net assets (cash balances) were transferred to the St Helena National Trust.
