### The Guest House by David Mark

How much would you pay to survive?

Mum-of-three Ronni Ashcroft had just pieced her life back together after her husband left. On a remote spur of the Scottish Highlands, she kept her successful guest house going and even met a new man, Bishop.

But it turned out that Bishop had secrets. He had shady connections and shadier plans to use the coastal town as a European gateway for drugs, guns and something far worse. Now he's disappeared, and Ronnie wants answers.

Is he in trouble or simply ignoring her? Was she just his play-thing from the start? And, most importantly, is he dragging them both into something that neither of them will survive?
