Now, after extensive renovation and under new management, an esteemed group of loyal returning guests is set to descend upon the hotel, joined by a group of new faces who have managed to secure coveted reservations. Anxiously awaiting the guests is the new manager, Olivier Bateau, and his assistant, Yvonne Philippe. Both strive to continue the hotel's tradition for excellence but even they were not prepared for what happened on that September evening. A successful art consultant arrives to seek solace after a brutal divorce and is surprised to find new love. A new guest contemplates ending his life and ends up saving someone else's. A high-profile politician's career will be tarnished with scandal after a mystery meeting conducted at the hotel. And a couple will find their once-in-a-lifetime trip struck by a medical emergency, leaving the future they've longed for hanging in the balance. Rocked by the events of this one fateful night, guests and staff alike brace themselves for the aftershock, as it quickly becomes apparent that there is much more drama in store.

### A Whole New Light by Sandra Brown

Ever since losing her husband, Cyn McCall has counted on his business partner, Worth Lansing. Though a confirmed bachelor, Worth nonetheless proves himself to be a dependable friend and a father figure to her son. He makes her laugh, and she teases him about his many romantic entanglements. But falling for a man who can't settle down is the furthest thing from her mind until an innocent gesture changes everything.

When Worth invites Cyn to a getaway weekend in Acapulco, he doesn't expect to be sharing a room. And he certainly doesn't intend for them to wind up in bed together. Cyn wants to believe that their night of passion was a mistake sparked by the exotic locale. But Worth is convinced that they share something deeper. He knows he's finally ready to stop playing games if only Cyn will open her heart to the promise of love.

ALSE RADAVIN	The Boss Baby (DVD) DreamWorks Animation and the director of Madagascar invite you to meet a most unusual baby. He wears a suit, speaks with the voice and wit of Alec Baldwin, and stars in the animated comedy, Dream Works' The Boss Baby. The Boss Baby is a hilariously universal story about how a new baby's arrival impacts a family, told from the point of view of a delightfully unreliable narrator, a wildly imaginative 7 year old named Tim. With a sly, heart-filled message about the importance of family, Dream Works, The Boss Baby is an authentic and broadly appealing original comedy for all ages.
	<b>Ice Age 2 The Meltdown (DVD)</b> Manny the woolly mammoth (voice of Ray Romano), Sid the sloth (John Leguizamo), Diego the saber-toothed tiger (Denis Leary), and the hapless prehistoric squirrel/rat known as Scrat (Chris Wedge) are back in this sequel to the popular 2002 film. That is until he miraculously finds Ellie (Queen Latifah), the only female mammoth left in the world. The only problem being that they can't stand each other. Ellie comes with some excess baggage in the form of her two possum friends Crash (Seann William Scott) and Eddie (Josh Peck), a couple of daredevil pranksters and cocky, loud-mouthed troublemakers. When a huge glacial dam holding off oceans of water is about to break, threatening the entire valley, the only chance of survival lies at the other end of the valley. So our three heroes, along with Ellie, Crash and Eddie, form the most unlikely family as they embark on a mission across an ever-changing, increasingly dangerous landscape.
