DID YOU KNOW...

When you work in adult social care, no two days are ever the same.

A career in care is a career in kindness.

You don't need any qualifications to get started, you just need to bring the right values and you can then train while you work.

If you are kind, compassionate and patient, then you have the qualities needed for a career in **Social Care**.

If you are looking for a meaningful career, where you can support others to live fulfilling lives, **Adult Social Care could be the move for you!**

As a care worker you'll make a lasting difference to people's lives every day.

We are currently recruiting!

To find out more about job opportunities in Social Care and how to apply, please contact any of the following:
