SHG PORT EQUIPMENT HIRE RATES

With effect from 20 June 2024, the charges below will apply for the use of SHG machines used in connection with any sea cargo operation for loading and unloading of a vessel that is not contracted by SHG to supply the Island of St Helena, as per an Executive Council decision of 10 June 2024.

Machine	Hourly Rate
Crane	£94.50
Stacker	£52.50
Forklift	£31.50
Tractor Trailer	£38.50, plus £1.48 per mile

The following conditions will apply:-

1. The above machinery can only be used by the contractor contracted to undertake stevedore operations.
2. The contractor will provide trained operators approved by the Port to operate the machinery.
3. The equipment must only be operated/travel within the port limits.
4. Machinery will be provided with fuel.
5. The contractor shall ensure that the operator carries out a daily inspection on the machines before use.
6. Each machine used will be charged at an hourly rate (hours of use will be taken from the machine's run clocks).

7. The Port reserves the right to update the cost at any point to account for fluctuations in the running cost of the machinery, e.g., fuel prices.
8. The Port reserves the right to recall any machine if a situation arises that requires the use of the machine by the Port.
