Founded in 1891, the American Numismatic Association (ANA) is a congressionally chartered non-profit organisation dedicated to the study, collection and appreciation of coins, paper currency and other numismatic items.

This ANA Show Eagle design would be the first-ever legal tender coin to celebrate the rich history of both the ANA and its signature Word's Fair of Money numismatic event, which is attended by thousands of visitors each year in August.

**Obverse** - Features the Goddess Nomisma, the ancient Greek word for money. She is flanked by laurels, synonymous with achievement, and a chain cent and globe, representing the global bonds of numismatics.

**Reverse** – Features a bald eagle flying high above the Chicago skyline. The city of Chicago is not only the birthplace of the ANA, but also the host of the 2024 World's Fair of Money. The design is completed with a bust of Dr George F Heath, the founder of the ANA's monthly magazine publication.

Given under my hand the public seal of St Helena, at the Castle, Jamestown, this 19<sup>th</sup> day of June 2024.

**GOD SAVE THE KING!**
