NEW ARRIVALS

The Daughter In Law by Shalini Boland

Your new husband has a shocking secret. Would your mother-inlaw kill to protect it? From the moment I meet my new mother-in-law in her beautiful country house, she makes it clear I'm not welcome. Lilian Fletcher hates me for marrying her precious boy on a golden beach far away from her. Starting our marriage living in the Fletchers' family home is a nightmare. Then I discover Seb was married before and his first wife is dead. I wonder why the man I love didn't tell me the truth. And I wonder what happened to her: the woman who came before me. How did she die?

Lilian's steely blue gaze follows me everywhere. Then the accidents start to happen, and I know she is behind them. It starts with small things, like a dropped birthday cake, a spilt glass of wine. But then my mother-in-law accuses me of something terrible. This woman is determined to get me out of her son's life. Now I wish I'd never met my handsome, clever husband. Or come to this luxurious house that feels more like a prison.

Nine Lives by Peter Swanson If you're on the list you're marked for death.

The envelope is unremarkable. There is no return address. It contains a single, folded, sheet of white paper.

The envelope drops through the mail slot like any other piece of post. But for the nine complete strangers who receive it - each of them recognising just one name, their own, on the enclosed list - it will be the most life altering letter they ever receive. It could also be the last, as one by one, they start to meet their end.

Secrets by Nightfall by Nora Roberts When night falls, no one is safe from desire or danger. Night Shift Radio host Cilla O'Roarke loves quiet evenings running the late-night show at her station. But when she receives a threatening call from a listener, her ideal job suddenly turns dangerous. Used to being alone, Cilla insists she can handle the calls by herself, but that doesn't stop Detective Boyd Fletcher from

wanting to investigate further. Boyd also senses there's something beneath Cilla's cool demeanour and challenges himself to uncover

	her secrets. But when the sinister caller begins stalking Cilla, Boyd realises he wants to protect Cilla more than anything else and Cilla finds that trusting Boyd might be her only choice.
THE INSTANT SUNDAY TIMES DESTSELLER	The Dead of Winter by Stuart MacBridge
STUART MACBRIDE THE DEAD WINTER	It was supposed to be an easy job.
	All Detective Constable Edward Reekie had to do was pick up a
	dying prisoner from HMP Grampian and deliver him somewhere to
	live out his last few months in peace.
	From the outside, Glenfarach looks like a quaint, sleepy, snow-
	dusted village, nestled deep in the heart of Cairngorms National
0	Park, but things aren't what they seem. The place is thick with
	security cameras and there's a strict nine o'clock curfew, because
	Glenfarach is the final sanctuary for people who've served their
	sentences but can't be safely released into the general population.
	Edward's new boss, DI Victoria Montgomery-Porter, insists they
	head back to Aberdeen before the approaching blizzards shut
	everything down, but when an ex-cop-turned-gangster is
